San Antonio TX 78226-1816

Dear Kelly Restoration Advisory Board Members

The following is the Air Force Real Property Agency (AFRPA) action items report for the 10 May 2005 Technical Review Subcommittee (TRS) meeting.

1. Designate TRS membership.

At the request of the Kelly Restoration Advisory Board (RAB) Executive Committee, appointment of the TRS membership was added to the June 2005 Special RAB meeting agenda. During the June 2005 Special RAB meeting, RAB members agreed membership of the TRS should not be specifically assigned or designated, but rather left open to any RAB member who wanted to attend.

2. Designate TRS chair.

At the request of the Kelly RAB Executive Committee, designation of a TRS chair was added to the June 2005 Special RAB meeting agenda. During the June 2005 Special RAB meeting, Mr. Robert Silvas, community co-chair, volunteered to chair TRS meetings and provide verbal summaries of TRS meetings during the following RAB meetings.

3. Provide Zone 4/5 briefing.

AFRPA is scheduled to present an update on the remediation program for Zone 4 and 5 during the August 2005 TRS meeting.

4. Provide Site E-1 rebate amount.

The Site E-1 rebate amount was included in the Update on AFRPA Projects presented by Mr. Don Buelter during the June 2005 Special RAB meeting. A copy of the meeting materials was provided to all RAB members in attendance and mailed to absent members and alternates after the meeting.

In summary, Mr. Buelter explained during his presentation that the Site E-1 project was originally awarded for \$4.9 million. After completion of the project, the cost of disposal of the

soil removed from the site was determined to be less than anticipated and the project cost was renegotiated for \$2.8 million. Mr. Buelter went on to explain the \$2.1 million would be removed from that project and sent back to AFRPA for distribution to other environmental restoration programs within AFRPA.

If you have questions regarding this actions items report, please contact Public Affairs Officer Sonja Coderre, at (210) 925-0956.

Sincerely

ADAM G. ANTWINE
Senior Representative
